CITIZENS' MEETING -POLICY OF PARTY

paigns. It is argued in behalf of these party nominations that the result of the Autoro of Public Accounts.—The For Auditor. A courtenance of the Methodist Episcopal Conference.—Riscation of voters for delegates to the convention, and all preceding repugnant restrictions and factors of the party was and any citizen who can lay clearly making the movement. Now we ask any citizen who can lay clearly making the movement. Now we ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask any citizen who can lay clearly making the movement. Now may ask and the refer to the party making the movement. Now may ask and the refer to the control of t mon intelligence and patriotism, if all the great and important interests of our city are to be prostituted to a party manneuver like in interests of our city are to be prostituted to a party manneuver like incorporation:

The city of Memphis has heretofore advanced, by the legitimate efforts of prudent and enterprising citizens, not by party burnshe and antagonisms. Is her onward march to checked by making municipal honors the reward of party services instead of conferring and on the guerros of a billity and public shows a stage and of party services instead of conferring and party in the manner of the bar, and interests and driving under certain of this law the convention itself will, in some form, provide for automatical the will be within the case distraction the the lail in sprovide that they would favor the plan of making station which he would so highly adorn."

nations is the absurd plea that their despised sunrise. We are not aware how far this un"common enemy" would probably do the same thing in a similar emergency! "Oh! most lame days and reasonably cool nights have bright to the courts. Indictments have also signified their will
sent their despised sunrise. We are not aware how far this undoubless left their natural results of enumly eighty-six in Liverpeot, thirty-seven in Glasgow, twenty-eight in Manchester, and the remainder in other parts of England. The Britthing in a similar emergency! "Oh! most lame days and reasonably cool nights have bright

courts. Indictments have also signified their willish Government have also signified their willish Government have also signified their willish Government have also signified their wiland impotent conclusion?"

But we unequivocally deny that the Democracy would any more unanimously and cordially favor party dominations for municipal stations, if they were in the majority, than does the American party of Memphis new. We are found against those who acted in a military capacity of the authority of the freeze the authority of the seen found against many of those who acted in a military capacity lingness to pay four per cent, on the capital for the privilege of transmitting messages outleged to be wholly similar prosecutions have been instituted against those who acted in a military capacity lingness to pay four per cent, on the capital for the privilege of transmitting messages outleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages. Occurred to the authority of the authority of the first forms, by the continued use of the privilege of transmitting messages alleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages outleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages outleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages outleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages outleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages alleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages alleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages alleged to be wholly lingness to pay four per cent, on the capital for the privilege of transmitting messages alleged to be wholly lingness to pay four per cent, on the only of the privilege of transmitting messages alleged to be wholly lingness t the American party of Memphis now. We have reason to believe that there are many of that party who deeply regret the step into which their zealous partisan friends have precipitated them, by hurrying into these nominacipitated them, by hurrying into these nomina-tions. If the Democracy had the power, there would, doubtless, be many warm partisans who would heedlessly avail themselves of the occasion to insist upon a "straight-out" ticket.
But many more of the more cool and reflecting manufactured to many more of the Democratic party, who are But many more of the more cool and reflecting members of the Democratic party, who are members of the Democratic party, who are Capr in Trxas.—The Galveston Civilies of sible for the wrong.
